### SALADS

#### Greek Salad

A genuine Greek salad built on a healthy pile of fresh head lettuce, crunchy hearts of romaine and fresh baby spinach. A full roma tomato, wedged, red onions, a generous portion of feta cheese, large Kalamata olives, sweet cucumber slices and peperoncini peppers make for a delightful and filling salad. Kraft sealed dressings round it all out.

**\$5.50** for salad only or you can add 50 cents for a generous portion of broiled chicken or hot gyros meat.

#### Chicken Caesar Salad

We start with hand torn, crunchy romaine lettuce then we toss the romaine in our signature olive tamponade and seasoned crushed croutons. We add freshly coarse grated parmesan cheese, several large crunchy croutons and then top it all with a seasoned and broiled strip cut breast of chicken. Chicken breast served chilled or hot. Caesar dressing served on the side.

**\$6.00**

#### Gyros Meat Salad

If you love gyros meat and want to dig in, try our gyros salad. A bed of lettuce, followed by red onions, feta cheese, roma tomato wedges and peperoncini surround a hot pile of broiled gyros meat, topped with a large dollop of Tzaziki sauce. A favorite!

### OTHER MENU FAVORITES

#### Frito Pie Boat

If you've been to the county fair and had a Taco Pie, then you know what this is. If not, we start with a bed of Frito Lay Fritos, smother them in fresh shredded cheddar then cover it all with a 1/2 pound of taco seasoned ground beef. Next comes the shredded lettuce, diced roma tomatoes, diced white onions, salsa and sour cream. Lastly, another dusting of shredded cheddar, a ring of Fritos and a line of jalapeno peppers, and there you have it! Attempt only if really hungry.

**\$5.50**

#### Gyros Dinner for Four

If you're on the run and don't want to mess with cooking dinner, pick up a dinner for four! It includes 3/4 of a pound of steaming broiled gyros meat, four pitas, wax paper wrapped for quick heating, four sides of Tzaziki sauce and enough lettuce, roma tomatoes and red onions for everyone to fill up. An exceptional value.

#### Spaghetti and Meat Balls

Ready to go in a microwave safe dish, our spaghetti is awesome. A filling portion of homemade sauce, thick and spicy, swamps a bed of angel hair pasta.
